Certificates

Certificate of Proficiency – Desktop Application Development

NORSU-BSC – Santa – Catalina , Bayawan City, Negros Oriental Philippines
May 16, 2025

Projects

Portfolio Website

Built a personal responsive portfolio using HTML, CSS, and JavaScript to showcase projects and skills.

NORSU Alumni Web Portal

A robust and feature-rich platform for Negros Oriental State University (NORSU) alumni to network, engage, and share information.

CTTMO Traffic Violation Management System

Developed a web-based application for managing traffic violations, including recording infringement details and fines.

Pharmacy Inventory Management System

Built a multi-user desktop app with role-based dashboards for inventory, prescription, stock, and sales management (POS).

CRUD To-Do List with Email Updates

Created a web-based CRUD application for task tracking, featuring email notifications on task creation, updates, or deadlines.

Django Payroll Management System with QR & Face-Recognition

Developed a web-based payroll and attendance system using QR codes for staff authentication and payroll automation.
